Honorable **Sonia Pareja Jimenez**,

I hope this is a good time to contact you!

With great pleasure, we welcome you to the “**11th International Conference on Dementia and Dementia Care**” scheduled from **February 19-20, 2020 at Paris, France** since your field is related to Dementia Care.

Our research team had a glance on your profile published article “**The influence of cognitive stimulation on cognitive-emotional disturbance: A unique case study**” and which is very remarkable and thought it would be an excellent fit for the Conference.

Your proficiency and eminent research work in the field will be an excellent Add-on to Congress.

So we are feeling privileged to welcome you to our Event: <https://dementia.cmesociety.com/conference-brochure>

We hope to have your gracious presence with International experts in the field of **Dementia Care 2020**. We are very confident that we will definitely offer you an unforgettable experience in exploring new opportunities.

Do let me know your decision so that we can proceed further.

Thanks and Regards,

Arthi S
